MLESA

MANAGEMENT AND LEADERSHIP SUMMER ACADEMY

Summer Academy in Prague

MLESA is a great chance for Asian university students to come to Prague (Czech Republic) and an opportunity to improve their competences needed for their successful future – management and leadership skills, practical experiences in companies, business English and global thinking of sharing cultures.

Academic programme:

1. Intercultural management and leadership
2. Team work and team dynamic
3. Project management
4. Business English
5. Culture workshops

Trips and fun:

1. Trips to Czech places of interest
2. Sightseeing in Prague
3. Culture evenings
4. Games and teambuilding activities
5. Adventure activities (horse riding, rafting)

Benefits for you:

- ✓ Improve your English by an interactive program
- ✓ Learn from business experts
- ✓ Get certificates useful to your further career
- ✓ Explore the Czech Republic and European culture

MLESA specialises in relationships between Europe and Asia. Summer programme combines theory and praxis and provides students a certificate that increases their potential in the labor market. MLESA is patronized by the Czech University of Life Sciences Prague and world-wide Czech companies.
