

9TH UNIVERSITY SCHOLARS LEADERSHIP SYMPOSIUM

UNITED NATIONS CONFERENCE CENTRE

BROUGHT TO YOU BY HUMANITARIAN AFFAIRS ASIA
AND THE UNITED NATIONS DEVELOPMENT PROGRAMME

AUGUST 1 TO 7, 2018
BANGKOK, THAILAND

Empowered lives.
Resilient nations.

WE ARE ONE

Regardless of our nationality, race, religion, gender and social status, we're global citizens united in heart to pursue and promote progress and a better standard of life for all in the world. The mission of the University Scholars Leadership Symposium embodies the core belief of the UN Charter, which is, We Serve So Others Can Live Better.

USLS opens our eyes, our mind and our heart to the primary sustainable developmental challenges the world faces. Delegates are also invigorated to realise their potential as agents of global change.

DO YOU

1. Have Leadership Qualities?
2. Have Passion about Social Change, Current Affairs and Global Issues?
3. Have the Desire to Be a Voice for the Voiceless and Work Towards a Cause?

IF YES

Humanitarian Affairs Asia and the United Nations Development Programme want you to attend our week long conference this August at the United Nations. It is a conference to equip emerging young leaders with the knowledge and skills to kick start meaningful initiatives - the

opportunity to put your passion into practice.

It is up to us to strive to make the world a more equal, peaceful and sustainable home for all of us NOW. "It's often said that young people are the future. Well, young people such as you are also our present", Ms Valerie Cliff, UNDP's Asia Pacific Deputy Regional Director.

The world faces countless issues; from global warming to poverty and gender inequality. Undertaking the eradication of these issues can seem overwhelming, and we often feel like we are alone. USLS will connect you with 1,200 like-minded students from around the world and from all disciplines, who are passionate about Social Change. You will learn from and have the opportunity to network with UN Agencies, Humanitarian and Global Leaders who will inspire and motivate you.

Visit our website www.universityscholars.org.uk to view a short video of the previous USLS, it truly speaks for itself.
