Bridging Industry & Universities
for Sustainable Future

INDO-PACIFIC FORUM

Bali, Indonesia 28-29 August 2024

Greetings from Our Vice-Rector

It is with great enthusiasm that we invite you to the "Bridging Industry and Universities for Sustainable Future (BINUS) Indo-Pacific Forum" in Bali, Indonesia from 28-29 August 2024!

This pioneering event marks a significant step towards fostering collaboration between the industry and academia, a crucial synergy for driving sustainable advancements across the Indo-Pacific region. We believe that when industry and universities come together, the fusion of practical insights and academic expertise can lead to innovative solutions that address some of the most pressing challenges of our time.

More so, your contributions are essential as it fits within the university's mission of fostering and empowering society in building the nation, therefore shaping a sustainable future one that is built on the solid foundation of partnership and innovation.

Your guide here is a booklet where you can find all detailed information about the program of the forum which includes insightful sessions, collaborative workshops and networking designed to ignite meaningful partnerships and real outputs.

Together, let's bridge the gap between industry and universities to create a brighter, more sustainable future for all.

I look forward to meeting each and one of you in Bali very soon.

Warm regards,

Prof. Dr. Tirta Nugraha Mursitama, Ph.D.
