Game Rule

1. Decide a dish you would like to cook.
2. Each time could choose either a cassette gas cooker or a rice cooker as the cooking tool.
3. All other tools and equipments such as pots, knives, spatulas, and sauces should be prepared by each team.
4. Cooking ingredients should be prepared by each team. All the ingredients can be pre-processed before the game (ie. Washed, chopped, and etc.).
5. Each team should make a dish for 10 persons. The organizer will subsidize NTD.1,000 for each team. (Receipts or invoices needed with university unified code: 08153719)
6. Cooking time is limited for 1 hour. (All the dishes should be cooked during the game. No finished dish allowed.)
7. Each team should provide cooking ingredient list right before the game to the organizer. (The organizer will put it in front of the table for the judges, to prevent allergic or religious concerns.)
8. Team members could come from different countries.
