

## **Position Announcement for Dean of College of Electrical Engineering and Computer Science at National Taipei University of Technology**

The College of Electrical Engineering and Computer Science of National Taipei University of Technology (Taipei Tech) invites applications and nominations for the position of Dean, which will start on August 1, 2020. The College of Electrical Engineering and Computer Science offers bachelor, master, and Ph.D. programs at four academic departments -- the department of Electrical Engineering, the department of Electronic Engineering, the department of Computer Science and Information Engineering, and the department of Electro-optical Engineering.

Requirements for the candidacy are stated as follows: (a) professorship or equivalent; (b) outstanding academic achievement and expertise in any of the disciplines in the college; (c) of excellent leading abilities and rich experiences in academic or administrative positions; (d) being enthusiastic about and dedicated to leading research and education.

For full consideration, applicants are expected to submit a complete application form, statement of career planning at Taipei Tech, at least two references, and related documents. Please send all the submitted materials via registered mail to the following address no later than 5:00 pm, May 22, 2020.
