## COURSE CONTENT

### 1. Lengger Lanang

Lengger Lanang is a traditional dance from Banyumas, Central Java, Indonesia. It is unique since it is danced by a man dressing as a woman. In Lengger, a young man could not become a Lengger dancer without being possessed by the *indang* (spirit) no matter how he was trained.

### 2. Batik Banyumasan

Batik is an ancient art form that applies a wax-resist technique on a piece of fabric. It is also well-known as one of the Indonesia cultural heritage. Batik Banyumasan, one of its kinds, has a unique and typical pattern that is different from the other Batik arts in Indonesia.

### 3. Wayang Kulit

Wayang, also known as wayang, is a traditional puppet theatre art originated from Java, Indonesia. It is played by a *dalang* (a puppeteer) accompanied by the *gamelan* orchestra. Banyumasan Wayang Kulit is unique, primarily due to its distinct elements from the common Javanese wayang.
