	PROGRAM SCHEDULE
	July 5 - 9, 2021 Japan time (5 days, 22 hours, 2 credits)
DATES	TOPICS / PRESENTERS
Day 1	Opening Speech
2021.7.5	International Exchange Committee Chief
Mon.	ARAI Ichiro, Ph.D. / Professor
	Introduction of NPU (Nihon Pharmaceutical University)
	NPU Tour (Promotional Videos)
	Vice president of NPU
	Prof. TSUZUKI Minoru
	Current situation of pharmaceutical education in Japan
	Dean of Faculty of Pharmaceutical Sciences.
	MATSUDA Yoshikazu, Ph.D. / Professor
	Break
	Japanese Language Lecture (1)
	Development of crude herbal medicines - How to assure their qualities?
	Division of Social Pharmaceutical Sciences
	ARAI Ichiro, Ph.D. / Professor
	Visit NPU Kampo Museum and Herbarium
	Japanese Language Lecture (2)
	Visit Dance Club (Student activity)
	ORIGAMI — Japanese traditional "Art of paper folding", from children's play to
	industrial arts
	KIMONO — Japanese traditional costume
	Division of Kampo Pharmaceutical Sciences
	ITOKAZU Nanae, Ph.D. / Senior Assistant Professor
Day 2	Exchange program with Duquesne University in the United States of America
2021.7.6	Division of Organic and Medicinal Chemistry
Tue.	TAKAYAMA Hiroyuki, Ph.D. / Associate Professor
	Visit Taisho Pharmaceutical Co., Ltd. (Pharmaceutical Company)
	Pencil Lead Electrode for Quantitative Analysis
	Division of Physical and Analytical Chemistry
	ARAI Kensuke, Ph.D. / Professor
	Break
	Japanese Language Lecture (3)
	Design, Synthesis and pharmacological activity based on Metabolic Activation.
	Division of Pharmaceutical Health Biosciences
	URAMARU Naoto, Ph.D. / Senior Assistant Professor
	Visit YUYAMA Co., Ltd. (Pharmaceutical dispensing equipment company)
	Ingenuity and interaction of oral dosage formulation
	Division of Clinical Pharmaceutics
	TAKIZAWA Yusuke, Ph.D. / Associate Professor
	Visit Badminton Club (Student activity)
	Japanese Language Lecture (4)

The top 10 pharma companies in Japan - their histories and sales.  Division of Pharmacotherapy  KOBAYASHI Tsutomu, Ph.D. / Professor  Visit NIHONDO Co., Ltd. (Traditional Medicine Counseling Pharmacy.)  Japanese Bathing Culture and Health Promotion unlike any other in the world Department of Pharmaceutical and Medical Business Sciences  ISHIKAWA Yasuhiro, Ph.D. / Professor  Break  Japanese Language Lecture (5)  Student Practice  Visit Kitanishi Sake Brewery Co., Ltd. (Sake brewing)  Future pharmacists in JAPAN - Law revision and new daily life Division of Social Pharmaceutical Sciences  KUBOTA Yoko, Ph.D. / Professor  Visit Light Music Club (Student activity)  Japanese Language Lecture (6)  Day 4  2021.7.8  Thu.  Development of teaching materials for easily observing the environmental impact of chemical substances and educational practice in elementary schools  The Center for Liberal Arts Education  WADA Shigeo, Ph.D. / Professor  Visit Welcia Yakkyoku Co., Ltd. (Drug store)  Emergency Medical Services in Japan and Utilization of ICT  Department of Pharmaceutical and Medical Business Sciences  OHTA Sachiko, M.D., Ph.D. / Professor  Break  Japanese Language Lecture (7)  Japanese Culture - Recent trend in Japan  Division of Microbiology and Molecular Cell Biology  KURIHARA Taiga, Ph.D. / Assistant Professor  Visit Rose garden and introduction of Ina-machi (University City)  Student Practice - Practice for Pharmacognosy  Visit Tea Ceremony Club (Student activity)  Japanese Language Lecture (8)		
Wed.  KOBAYASHI Tsutomu, Ph.D. / Professor  Visit NIHONDO Co., Ltd. (Traditional Medicine Counseling Pharmacy.)  Japanese Bathing Culture and Health Promotion unlike any other in the world Department of Pharmaceutical and Medical Business Sciences ISHIKAWA Yasuhiro, Ph.D. / Professor  Break  Japanese Language Lecture (5)  Student Practice  Visit Kitanishi Sake Brewery Co., Ltd. (Sake brewing)  Future pharmacists in JAPAN - Law revision and new daily life Division of Social Pharmaceutical Sciences KUBOTA Yoko, Ph.D. / Professor  Visit Light Music Club (Student activity)  Japanese Language Lecture (6)  Development of teaching materials for easily observing the environmental impact of chemical substances and educational practice in elementary schools  The Center for Liberal Arts Education WADA Shigeo, Ph.D. / Professor  Visit Welcia Yakkyoku Co., Ltd. (Drug store)  Emergency Medical Services in Japan and Utilization of ICT Department of Pharmaceutical and Medical Business Sciences OHTA Sachiko, M.D., Ph.D. / Professor  Break  Japanese Culture - Recent trend in Japan Division of Microbiology and Molecular Cell Biology KURIHARA Taiga, Ph.D. / Assistant Professor  Visit Rose garden and introduction of Ina-machi (University City) Student Practice - Practice for Pharmacognosy Visit Tea Ceremony Club (Student activity)	Day 3	The top 10 pharma companies in Japan - their histories and sales.
Visit NIHONDO Co., Ltd. (Traditional Medicine Counseling Pharmacy.)  Japanese Bathing Culture and Health Promotion unlike any other in the world Department of Pharmaceutical and Medical Business Sciences ISHIKAWA Yasuhiro, Ph.D. / Professor  Break  Japanese Language Lecture (5)  Student Practice  Visit Kitanishi Sake Brewery Co., Ltd. (Sake brewing)  Future pharmacists in JAPAN - Law revision and new daily life Division of Social Pharmaceutical Sciences KUBOTA Yoko, Ph.D. / Professor  Visit Light Music Club (Student activity) Japanese Language Lecture (6)  Day 4  2021.7.8  Thu.  Development of teaching materials for easily observing the environmental impact of chemical substances and educational practice in elementary schools  The Center for Liberal Arts Education WADA Shigeo, Ph.D. / Professor  Visit Welcia Yakkyoku Co., Ltd. (Drug store)  Emergency Medical Services in Japan and Utilization of ICT Department of Pharmaceutical and Medical Business Sciences OHTA Sachiko, M.D., Ph.D. / Professor  Break  Japanese Language Lecture (7)  Japanese Culture - Recent trend in Japan Division of Microbiology and Molecular Cell Biology KURIHARA Taiga, Ph.D. / Assistant Professor  Visit Rose garden and introduction of Ina-machi (University City) Student Practice - Practice for Pharmacognosy Visit Tea Ceremony Club (Student activity)	2021.7.7	Division of Pharmacotherapy
Japanese Bathing Culture and Health Promotion unlike any other in the world Department of Pharmaceutical and Medical Business Sciences ISHIKAWA Yasuhiro, Ph.D. / Professor Break Japanese Language Lecture (5) Student Practice Visit Kitanishi Sake Brewery Co., Ltd.
