Call for Papers

for the 12th "Huashan Educational Symposium 2025

I. **Background and Purpose of the Seminar:**

With the arrival of the AI era, the public has high expectations and imaginations about future trends.

Under such circumstances, how to effectively use tools as powerful teaching and learning aids has become a concern for experts and scholars across various fields. This seminar aims to bring together the wisdom of experts and scholars from multiple fields to share the latest research results and practical experiences. We will jointly discuss the future prospects of AI applications in education and their multifaceted impacts on educational practices, as well as inspire innovative ideas and practical methods for education.

II. **Based on the Ministry of Education's "Guidelines for Subsidizing Universities to Hold Academic Seminars for Teacher Education."**

III. **Event Date:**

May 3rd, 2025 (Sat.)

IV. **Event Location:**

College of Education, National Dong Hwa University

V. **Submission Areas for Seminar：**

The thematic areas for submission include (but are not limited to) the following:

1. Exploring the latest developments in the application of AI technology in various educational practices domestically and internationally.
2. Analyzing and examining the multi-level impacts of AI applications on competency-based teaching.
3. Discussing how AI technology can be used to develop students' potential and stimulate their creativity and critical thinking.
4. Enhancing pre-service and in-service teachers' relevant competencies in the AI era to better support student learning.
5. Assessing the influence of AI applications on educational research, educational policies, curriculum design, and instruction.

6. Other research topics related to educational policies, curriculum, and instruction.

VI. Target Participants for Thesis Submissions：

Scholars and experts in the field of education, graduate and doctoral students, undergraduate students, teachers in primary and secondary schools, and other individuals concerned about education, both domestically and internationally.

VII. Submission and Review：

1. The seminar accepts two forms of paper presentations: Oral presentations and interactive poster sessions.
2. We accept two types of submissions: "Completed Research Papers" and "Research Proposals".
3. Both "Completed Research Papers" and "Research Proposals"submissions must with long abstracts, with a word count limit of 1,200–1,800 words. A full paper should not exceed 15,000 words
4. The seminar uses a double-blind review system.

VIII. Conference Registration:
