

2026 SUMMER INSTITUTE

AMERICAN CULTURE IN OMAHA: ENGLISH LANGUAGE THROUGH LOCAL EXPERIENCE

Discover American Culture in the Heartland of the United States

Program Description

Join individuals from around the world for a two-week Summer Institute in Omaha, Nebraska, where English learning comes alive through immersive, real-world experiences. Based at the University of Nebraska at Omaha, the program offers a unique window into American culture beyond the coasts during the United States' 250th anniversary of independence. Through experiential, place-based learning, you will strengthen your English by engaging daily with university students, faculty, and community members while exploring museums, arts, civic spaces, nonprofits, small businesses, and neighborhoods in Omaha and nearby Lincoln. Cultural activities, site visits, and shared celebrations foster meaningful exchange, guided reflection, and lasting connections, ensuring participants return home with stronger English skills and deeper cultural understanding.
